

profile trim for ceramic tile coverings

The **ROUNDJOLLY®** profile perfects and protects the external sharp corners leaving a pleasant aesthetic finish to the wall. The corner of the wall is well protected from impact and the edge being rounded off, thanks to the **ROUNDJOLLY®** circle section, is less dangerous in case one should accidentally hit it.
Illustrated scale dimension 1:1

roundjolly® RJ

ROUNDJOLLY® RJ-IL Stainless Steel AISI 304 - DIN 1.4301 and AISI 316

Stainless steel can ensure a high tolerance against most diluted chemical products therefore it is ideal for food industry environments, hospitals and laboratories. The AISI 316 choice is recommended as standard for salty environments and where chlorine is present. Available in top brushed effect code IS.

Material: Stainless steel AISI 304
▲ Stainless steel AISI 316
Length: 2,70 meters

ROUNDJOLLY® RJ-A* Silver and Gold Anodised Aluminium

An approx. 20 micron silver and gold coated aluminium profile which offers adequate protection and tolerance to wear over time.

Material: Extruded Anodised aluminium
Colour: Silver, Gold
Length: 2,70 meters

ROUNDJOLLY® RJ-ASB Bright Polished Aluminium-Chrome Effect

The surface of this anodised aluminium profile has been chrome-effect treated in order to give that sparkling effect in combination with bathroom ware. It holds the same properties as the other aluminium models.

Material: Extruded Anodised aluminium
Colour: Polished Chrome
Length: 2,70 meters

ROUNDJOLLY® RJ-AOB Bright Polished Aluminium-Gold Effect

The shiny gold finish effect is also requested for particular combination in interior decorating design. Also this profile holds the same properties as the other aluminium models.

Material: Extruded Anodised aluminium
Colour: Polished Gold
Length: 2,70 meters

ROUNDJOLLY® RJ-A* Powder Coated Aluminium

This aluminium profile is lacquered with polyester powder base varnish paint bearing an approx. 60 micron coating in order to guarantee tolerance against main domestic cleaning products and atmospheric agents as well as UV rays. The profiles perform in endurance and elasticity for one may find a not so straight wall during the installation. The profile is entirely varnished also within its flange.

ROUNDJOLLY® RJ-P* Full body coloured Synthetic Resin

The product is entirely of a solid colour compound and not colour coated. This profile is available in a wide range of colours and can be utilized in the most diverse environments which require coverings. This type of trim profile is easy to cut to size so the laying may result quicker and less time consuming therefore one would economize in terms of working over the entire project budget.

Again this product maintains a good performance over time against UV rays and small scratches provoked from friction, tolerates impact and chemical agents present in most detergents.
